Minutes

Present:

Cllr M Stanley
Cllr G Blamire

Rachel Hammond – Parish Clerk
Sophie Turton – Assistant Parish Clerk

Cllr Darren Muizelaar – County Councillor
Cllr Rob Reaney – County Councillor

There were no members of the public present.

Issues raised by Councillors:

- The pile of tarmac outside 27 Hambleton Avenue has been reported to DCC. The pile of tarmac is still there.
- A security camera on 18 North Street is facing directly onto Leigh Way Playing Field. A resident has reported this to the Parish Clerk. The Clerk will write to the resident to ask about the possibility of moving the camera.
- Memorial Close – Vehicles are driving down the footpath and accessing the top of Memorial Close. The Clerk will write to Helen Brown at Rykneld about this issue.
- Fence at end of Station Road Playing Field. The new owner has erected a fence blocking a path to the railway footbridge. This path is not a recognised footpath. Footpath 31 is the correct way to access the railway footbridge. The Clerk will contact NEDDC to see if they can tell us who owns the land at the bottom of the playing field. The Clerk will send the details to Cllr Muizelaar for him to check the footpath with DCC
- 7 Alma Road – the footpath is deep in water even though there is a drain directly outside the property. The Clerk will send the details to Cllr Muizelaar.
- 32 and 34 Whiteleas Avenue – the residents are driving over the grass to access their properties. The Clerk will contact Helen Brown at Rykneld.
- There is a lot of dog mess on the footpath from New Street to Hambleton Avenue.

- Standing water on Whiteleas Avenue – hopefully this will be eradicated when the road is resurfaced in January. Cllr Muizelaar is aware of this issue.
- Berry Street - The yellow lines at the end of the street are very faint and cars are parking on them making pulling out of the street very difficult. The Clerk has previously reported this to DCC. Cllr Muizelaar will look into it.
- Station Road, Hephthorne Lane – there is a blocked drain on the road near Berry Street and sewerage runs out of this drain in heavy rain. Yorkshire Water have been contacted about this issue. Cllr Muizelaar will look into this
- The Defibrillator outside the Shinnon needs replacing. The Chair asked the Shinnon to write to the Parish Council to ask for funding.
