Due to Covid-19 there has been minimal action take.

The outside maintenance team have continued to work on a part-time basis, concentrating on keeping the village looking clean and tidy. The bedding plant order was cancelled by Ball Cosgrave very early on so there are no flowering plants in the flower beds at present.

The planters have arrived, Andy and the team plan to put them in place towards the end of the summer when they can plant them with autumn and winter flower plants and spring bulbs.

Steve has been checking emails and telephone messages in the Community Centre and keeping the accounts up to date.

Mandy and Debbie are now working one day each per week, on different days, to keep the Community Centre clean as the Police and NEDDC food bank collection have been using it.

We have not heard when the Housing Office will re-open.

The VE Day mugs were delivered and I have arranged to take them to the school when it is fully re-opened in September.
